**MAY IT PLEASE THE COURT:**

1. These submissions address the Minute of Judge Marshall re Scope of Inquiry dated 28 October 2021.
2. Police support the proposed scope of the Inquiry and would oppose any widening of it.
3. It is noted that in relation to issue 21 of appendix A (Why did Police not arrive faster?) that the submissions have raised the issue of the terrorist manifesto being sent to “authorities” at 1.32pm. This issue is noted as being within the scope of the Inquiry. Police submit that the reference to “authorities”, should instead read “Parliamentary Services”. The Royal Commission of Inquiry has already addressed the receipt of the e-mail by Parliamentary Services at 1.32pm. (RCOI report part 6, chapter 7). Police are of the view that this should be clarified to make it clear that Parliamentary Services handling of the e-mail at 1.32pm is out of the scope for reasons consistent with other issues determined by the RCOI.

In terms of the question “why did Police not arrive faster?”, Police submit that the appropriate timeframe to examine is from when Police were notified by Parliamentary Services at 1.40pm.

4. Police are in the process of gathering information so that issues that are proposed to be dealt with by way of an information request, can be actioned as soon as possible.

**DATED** at Christchurch this 8th day of November 2021
